[WARNING: EXTERNAL SENDER]

Doug,

We appreciate your bringing this to our attention. We have been communicating with Mr. Albright about this since we spoke on Wednesday. We are in the process of gathering all relevant information, but unfortunately we don't have an answer for you today. We are continuing to gather and evaluate information, and we expect to have an answer either over the weekend or on Monday. We will get back to you as soon as possible.

Dan and Caitlyn,

Thank you for speaking with Steve and me earlier. Included with this email are four message threads from the StarShip Telegram channel in which Mr. Albright discusses his purchases and sales of UST and Luna (an earlier-dated thread stating that Mr. Albright purchased UST at \$0.30 on May 11 is included as an exhibit to the reply brief). Together, these threads appear to show that Mr. Albright had a net gain of \$15,000 on his UST and Luna trades. But before raising these with the Court, we wanted to hear your position. Given the upcoming argument date, we would appreciate hearing back from you by the close of business on Friday January 6 so that, if necessary, we can file something with the Court well before the argument.

Thanks,

Doug and Steve
